Introduction

Kaya Imani is a family-run boutique hotel located directly on the beautiful Msambweni beach. The property is surrounded by indigenous forest with monkeys, birds and our friendly resident dogs and cats roaming freely.

Our restaurant serves a **pescatarian menu** (vegetarian, fish, and seafood – **no meat**), with daily-changing options for both vegetarians and fish lovers. All the fish and seafood are locally caught. The bar offers a varied selection of drinks alongside our homemade cocktails. Clean drinking water is provided free of charge and corkage fees apply for guests who wish to bring their own bottles.

All rooms are well ventilated making the most of the ocean breeze. They are all equipped with fans, as a natural alternative to air conditioning.

Kaya Imani is a place for those who feel at home in nature – a peaceful retreat to unwind, disconnect and simply be.
